## Brainstorm as a group

Have everyone move their ideas into the "group sharing space" within the template and have the team silently read through them. As a team, sort and group them by thematic topics or similarities. Discuss and answer any questions that arise. Encourage "Yes, and..." and build on the ideas of other people along the way.

## Prioritize

Your Team should be on the same page about what's important. Place your ideas on this grid to determine which ideas are important and which are feasible.
